

Online Account Access

Connect with your accounts, fast & easy.

Visit **klaasfinancial.com** and click *Client Login* in the upper right of the Klaas homepage

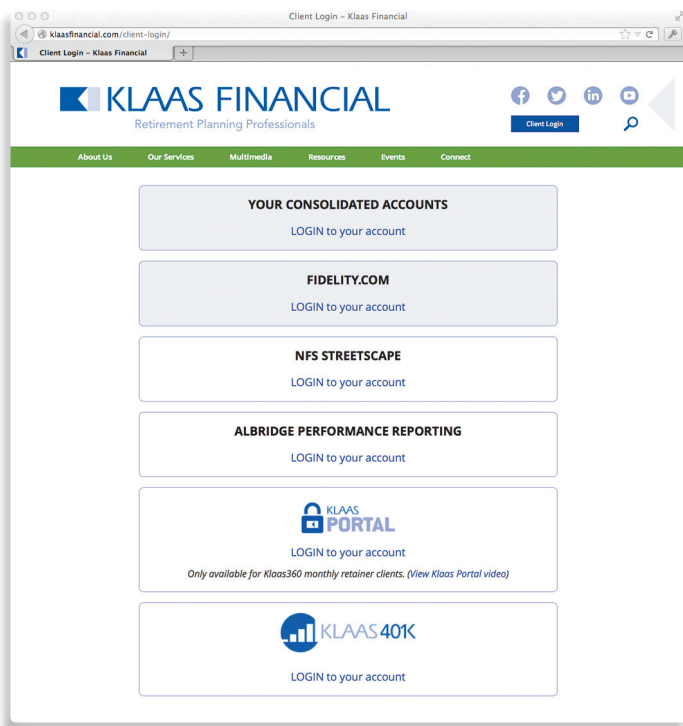

Select the website you would like to access by clicking "login to your account".

For Your Consolidated Accounts your username is the **first two letters** of your first name and your **full** last name. For example, John Sample = *josample*. Your temporary* password is the last four digits of your social security number.

For Fidelity, NFS Streetscape, Albridge Performance Reporting* or **Klaas401k** you must register on your own. Click "login to your account" and then follow the instructions to register and create your username and password.

For KlaasPortal, your advisor will request a user ID which will be emailed to you along with a link to register. Once you receive the email, click the link and enter your temporary** password: **KLAAS360**

* For Albridge accounts, use the temporary password: **KLAAS4ME**

** For security reasons, you should change any pre-assigned/temporary password upon initial login.
